Student's Questionnaire

Introduction

Dear Student,

By filling out this questionnaire you are supporting our institution in its efforts to obtain a first-hand picture of its training and services. Collecting and utilizing the experiences of present and former students through this feedback is a key element in the Graduate Career Tracking Programme in its aim to improve the knowledge set that our institution provides its graduates. Career tracking surveys will be repeated annually for students and less frequently but still regularly for graduates who support the adjustment of our institution to the continuously changing environment of training. If you fill in this questionnaire, you will contribute to making the institution and its qualifications more successful.

We assure you that your responses will be handled anonymously.
